"I would highly recommend Jim and his talent for any gig or venue."

Chris Kingston, Event Manager

"I don't write music,  
*I discover it.*"

## JIM DORMAN

is a musical adventurer who brings audiences with him on a journey of discovery.

Jim Dorman's music is easy to listen to...but it's a lot more than easy listening. With a variety of instruments and styles at his command, Jim provides the perfect sound to suit any mood or setting.

Jim's music carries positive energy in a mix of jazz, blues, folk, new age, and acoustic rock. His warm, approachable sound makes a perfect backdrop for conversation, and his melodic flair is always there to entertain more intent listeners. His folksy style makes audiences feel at home, ready to settle in for a great time.
